OUR 5 STAR PROMISE TO YOU

5 YEAR WARRANTY ON ALL OUR LUGGIES

- We believe in our product & confidently offer a 5 year limited warranty across all our Luggie Scooters & Powerchair.

FIRST CLASS CUSTOMER SERVICE 100% OF THE TIME

- We are the Luggie Experts, our customer service staff are trained on all things Luggie including servicing & repairs so we can help with all of your questions.
- Our engineers are manufacturer trained so that on assessment we can diagnose and resolve any issues with your scooter within a day.
- Our Demonstrators have combined experience with the Luggie of over 15 years!
- We have been selling the Luggie Scooter for a decade!

FREE EXPERT ADVICE & NO PRESSURE DEMONSTRATION

- We can arrange a home demonstration around your work schedule, carer visits or family members with appointments either at home or a more convenient location for you.
- We understand our customer's needs, we offer great value service plans along with our 5 year warranty to offer you total peace of mind.
- Our demonstrations are completely free with no-obligation.
- Our demonstrators follow a strict BHTA code of practice and our own demonstration checklist to ensure you are comfortable and confident with your Luggie.

UNRIVALLED AFTERSALES SERVICE

- We strive to offer the best aftercare with Luggie trained customer service staff available over the phone 6 days a week.
- Any questions, queries or complaints will be responded to within 1 business day.
- All your order, service and repair history are stored on our system so that you do not have to repeat yourself if you are connected to a different Customer Service agent.
- If the scooter is away from you for service or repair for more than 5 days, we will provide you with a courtesy scooter free of charge!
- We offer 'at-home' servicing and repair for our customers who rely on the scooter daily.

TO PROVIDE THE RIGHT PRODUCT OR SERVICE TAILORED ESPECIALLY TO YOU

- We are a community and all Luggie owners will have access to exclusive offers.
- We offer free aftercare and support over the telephone which you can call as often as you like for the smallest of problems.
- We love to share customer reviews and experiences on our Blogs and Review page.
- We have a selection of demonstration, FAQ's and instruction videos to help you after you have purchased your Luggie.

We want to take the hassle out of shopping...
by bringing the lightweight mobility scooters
to you.

A demonstration doesn't have to be in your home, it can be at a friends or neighbours, even at a group meeting or social club, place of work or wherever you like.

Nationwide coverage means you are never too far from one of our representatives. Our Friendly team of mobility product demonstrators are carefully selected to ensure you receive the very best service. Each member of the team has been trained on everything Luggie! They really are the travel mobility scooter experts. They love the lightweight Luggie range as we are sure you will too.

HOW TO BOOK A FREE NO OBLIGATION DEMONSTRATION?

Simply choose one of these options

STANDARD FOLDING MOBILITY SCOOTER

STANDARD £2295 (EXCL. VAT) £2754 (INCL. VAT*)

**CALL 0800 012 4258 TO BOOK A
FREE NO OBLIGATION HOME DEMONSTRATION**

The Luggie Standard is the original and first model released in the amazing range. Award winning for product innovation, Luggie changed the mobility scooter industry and has rightfully become the World's most popular folding mobility scooter **with over 25,000 units sold worldwide.**

The Standard Luggie portable mobility scooter comes with the latest battery technology as it uses a Lithium Polymer battery, that is the same technology being used in the latest electric cars.

The Luggie's smart folding system makes it the world's most compact scooter. Lightweight, user-friendly and the folding and unfolding really is as easy as it looks.

The Luggie Standard is the most versatile lightweight travel scooter in the world. You can take this folding mobility scooter on board trains, planes, buses, cruise ships and trams and it will deal with most inclines. In fact, the Luggie will travel pretty much anywhere you can think of!

Don't worry about excess baggage charges; the Luggie portable scooter goes with you right up to where it will be stored safely with the wheelchairs and prams. This gives you a real advantage in the duty-free shops.

Don't worry about excess baggage charges, the Luggie goes with you right up to departure, then simply fold it down and hand it over where it will be stored safely with the wheelchairs and prams. This gives you a real advantage in the duty-free shops.

FEATURING:

- Folds compactly for ease of transport & storage in under 20 seconds
- Super lightweight and versatile, it lifts easily into the boot of any car
- Comfortable seat with two height adjustments
- Adjustable steering height and angle
- State of the art, speed control for safe operation
- Clear battery gauge to monitor your battery life & easy Plug-in battery charging system
- Battery removes easily for charging in off board charger (see our range of accessories)
- Alloy aluminium chassis frame
- Intelligent braking system (electronic, regenerative disc brakes)
- Free wheel facility
- Rear wheel drive train via direct transaxle
- 24 Volt. DC permanent magnet motor

“

WHAT OUR CUSTOMERS SAY...

I bought my Luggie Scooter to go to my grandson's wedding. Previously I have always had to go to special occasions in a pushed wheelchair and it is so inconvenient having some poor person (who has to leave whatever they are doing) push me wherever I need to go. The Luggie was ideal. I felt really independent and it was good to be able to get around my hotel room in it too. It really is as good as your advertisements say it is and I am so pleased I bought it.

Sheila Hughes

FREE NO OBLIGATION HOME DEMONSTRATION**

The Luggie Elite encompasses all the benefits of the standard Luggie and includes a range of added features to enhance your journey and user experience.

The Luggie Elite is suitable for anyone who wants to go that bit further or who is over 18 stone. The Luggie Elite allows you to travel upto 13 miles, the extendable handlebars allow you more comfort for your hands and with the clear LED display you can keep close track of your battery life.

The Luggie Elite comes with adjustable armrests included that foldaway with the scooter or can be removed if you'd like to store in the travel bag (see our accessories page), simply fold your scooter and place both the scooter and the Elite in the bag then wheel away like you would your suitcase

Take a look at the points below to see what makes the Luggie Elite different, if you'd like to book a home demonstration the team would be more than happy to show you both models so you know you are choosing the right Luggie for you.

WHAT MAKES THE LUGGIE ELITE DIFFERENT:

- User load up to 21 stone
- Larger motor
- Wider seat for added comfort
- Extendable handlebars
- LED display to keep track of your battery life
- Fitted with adjustable armrests
- Bigger range upto 13 miles dependent on user weight and terrain
- Available in 2 colours
- 10.5amp lithium Ion battery

* VAT exemption may apply if you suffer from a long term illness or disability please call for more details.

“

WHAT OUR CUSTOMERS SAY...

Very, very, very, happy with my Luggie (elite). Light weight and easy to handle after watching the DVD that was supplied. Delighted with the travel bag and the accessories. I look forward to the independence and the mobility that my elite will afford me, as I travel the world by land, sea and air, thank-you Luggie, and all your wonderful, professional staff.

“ WHAT OUR CUSTOMERS SAY... ”

Just replaced my old scooter with the Luggie Super and am absolutely delighted with it. It ticks all the boxes and I particularly like it's portability i.e folding and unfolding without separating the parts or having to use tools. Fits into my car like a dream. Highly Recommended.

Joyce Hart

ELECTRIC FOLDING POWER CHAIR

£2995 (EXCL. VAT) £3594 (INCL. VAT*)

**CALL 0800 012 4258 TO BOOK A
FREE NO OBLIGATION HOME DEMONSTRATION**

The LuggieChair is a welcome addition to the Luggie mobility scooter range. The new Powerchair is useful for people who need extra help being mobile around their own home, when out shopping, or travelling abroad.

Sharing the unique folding and compact design of the Luggie Scooters, the Luggie Chair is simple to fold and store. Unlike many other electric wheelchairs, the Luggie Chair has been designed to be compact, lightweight and keeping comfort in mind.

The Luggie Chair includes a wide footplate to ensure you can sit comfortably for a long period of time. Furthermore, it features a wide padded seat, adjustable armrests and an easy to use controller which can fit either on the left or right side of the Luggie Chair.

We include personal delivery and set up of the Power Chair following purchase, ensuring you are completely satisfied with your choice. Book a free no obligation home demonstration to compare the Luggie Scooter and the Luggie Chair to see which is best for you.

FEATURES OF THE LUGGIE CHAIR:

- Safety mechanism on the control so if you turn rapidly it slows
- Seat belt
- White Glove delivery service
- Speed Control for safe indoor use
- Puncture proof tyres
- Adjustable Armrests (height and width)
- User friendly Left or right hand joystick control
- Joystick length Adjustable
- Wider padded seat
- Wider Footplate allowing extra legroom
- Includes underseat storage bag
- Includes Luggie Bumper Mat accessory

* VAT exemption may apply if you suffer from a long term illness or disability please call for more details.

Luggie

ECO FOLDING MOBILITY SCOOTER

ECO £1795 (EXCL. VAT) £2154 (INCL. VAT*)

**CALL 0800 012 4258 TO BOOK A
FREE NO OBLIGATION HOME DEMONSTRATION**

Introduced in 2015 the Luggie Eco offered a budget conscious option to the range. Sharing many of the benefits of the standard, including the unique folding system.

The Eco Luggie Mobility Scooter is perfect for those looking for a transportable scooter to ease travel when they venture out. Equally, it is easy to lift in and out of car boots you can simply remove the lead acid battery if required to reduce the weight.

Use in and around the home thanks to the compact design or join the crowds in shopping centres for a great day out. Take a look at the off-board charging lead (see the accessories page) allowing you to simply remove the battery pack from the scooter and charge away from the scooter. This is a great option if you would like to store your scooter in the car or maybe an outhouse.

The Luggie Eco comes in a sporty red colour making sure you make a statement when out and about on your scooter. With an approximate range of 8 miles, the Eco Luggie Scooter is a welcome support for running those errands to the local shops or for an enjoyable day out with the family. Why not compare the Luggie Eco against the Luggie Standard with a free no obligation home demonstration so you can be sure of the differences.

WHAT MAKES THE LUGGIE ECO DIFFERENT:

- 2 x 12amp lead acid batteries
- Range of up to 8 miles
- Available in sporty red only
- Includes battery bag for easy removal of batteries.

* VAT exemption may apply if you suffer from a long term illness or disability please call for more details.

SPREAD THE COST OF LUGGIE WITH THE SUPPORT OF A FINANCE PLAN

We offer finance options under a Hire Purchase agreement in partnership with First Senior. We require a minimum deposit of £500-£750 deposit with the option to include a larger deposit if you wish. Repayments can then be made over a 12-36-month period, with each application being individually assessed by First Senior.

Finance can be purchased over the phone or at a home demonstration and the application will be submitted and this is subject to approval within 7 days. Once confirmation has been received, we can then arrange personal delivery and set up of your brand new Luggie Mobility Product.

THE PAYMENT GUIDELINES FOR EACH PRODUCT ARE:

PRODUCT	PRICE PER MONTH*		
	12 MONTH AGREEMENT	24 MONTH AGREEMENT	36 MONTH AGREEMENT
ECO	£129.58	£75.83	£58.30
STANDARD	£177.08	£102.53	£78.52
ELITE	£224.58	£129.23	£97.80
ELITE DELUXE/LUGGIE CHAIR	£219.83	£126.56	£95.83
ELITE PLUS	£238.83	£137.23	£103.73
SUPER	£243.58	£139.91	£95.82
SUPER DELUXE	£267.33	£153.26	£115.58
SUPER PLUS	£295.83	£169.28	£127.43

*Price per month is an estimation and will depend on each individual application.

PEACE OF MIND

We can also provide insurance and roadside recovery through First Senior to provide total peace of mind. Worry free driving with protection for you and your product in the event of accident, theft and even vandalism. In addition, public liability which protects the insured from the risks of liabilities imposed by lawsuits and similar claims avoiding expensive personal compensation payouts. We are fully regulated by the FSA.

What our customers say

“

Walking for me is now almost impossible, so Luggie has become my closest non-human friend. They are also such a good looking machine (the all black one is in particular).

In my view they a stunning engineering design and I am still being impressed by its abilities even after owning and using for over a year as they continue to out perform expectations.

The ability to manoeuvre in tight spaces around the home, kitchen, bedroom and bathroom is its real USP and is one often undersold. Other scooters would not even get a 'look in' on the versatility around the home. So I don't leave home without one and I don't go home without one. I couldn't.

STEPHEN JONES, GLAMORGAN

”

“

The best thing is that we can lift it still open into our small car and that I can adjust the speed low enough to enable my husband to walk comfortable enough to talk and be together.

MRS JUDY PHYLIS, KELF

”

“

I could never have had a Scooter without Luggie. Everything else I had looked at was too big and too heavy. My Luggie even fits into my little Nissan Micra Boot and not too heavy for my carer to lift easily and safely.

MR HORACE , LAMBLEY

”

“

I have recently returned from a holiday on the Queen Mary 2 and thought I would let you know that I took my Luggie scooter with me and it went down a storm on the ship. There was so much interest in it I think I could have sold it a few times over and/or hired it out with enquiries of was it my own or hired onboard. It was a good ice breaker for people to speak to me, though that may have been the yellow colour, which made people smile as I approached them.

MRS I JORDAN, BATTELY

”

“

We had a wonderful home demonstration and trial presented by Jonathan. We even had a try at loading and unloading the luggie to and from the car boot.

We have been very impressed by the luggie and are enjoying the freedom it has given us.

MARY HARRISON

”

“

My Luggie Scooter has given me back my independence, I'm free to go shopping when and where I want.

The Luggie is very quiet, reliable and I feel very safe on it. I only wish I had bought one years ago. Thank you for making such a great scooter. I just love it!

MRS JANET GARRIE

”

“

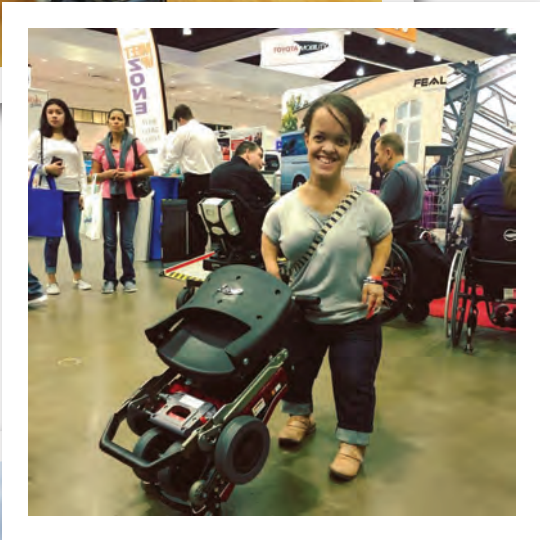

What an absolute blessing owning a folding Luggie is! I have been able to get around on holiday and see places I wouldn't have been able to access without my beloved scooter.

I am thrilled with my Luggie and cannot recommend owning one highly enough. Thank you and Well done.

MRS W F CATT

”
